

Specialist Leader Of Education Profile

Lucy Horobin

Background Experience

I have 16 years of teaching experience specialising in secondary PE and Sport. During those years I have held the following roles; Assistant Head of Department, Assistant Director of Sixth Form and now Head of Department.

I have worked very hard to develop a team where Teaching and Learning is at the heart of what we do day to day. Results have improved across key stage 4 and 5 in both BTEC Sport and GCSE PE during my leadership. We have also achieved an increase in levels of progress at key stage 3. I fully believe in collaboration and involve my whole team in everything we do and every decision I make, so that they understand the rationale behind my decisions. I successfully completed my NPQSL in 2017 and am working towards achieving my qualification as a practitioner coach in 2019. Within the department I am also the lead mentor for PGCE students and NQT's, a role I take very seriously and enjoy immensely.

I am also responsible for leading the Y9 visit to Venice where my largest party size was 199 staff and students and also the annual Sports Tour to Malaga where we play Football and Netball versus local opposition.

Areas of Expertise

PE and Sport

- Teaching and Learning across both practical and theoretical lessons
- Leadership and management of the department to include effective quality assurance
- Curriculum mapping and assessment
- Coaching and mentoring of staff, ITT's, PGCE's and NQT's
